

MORDEN AREA FOUNDATION

Women's Giving Circle

Grant Application Proposal Form

Please provide a clear and concise response to each of the following questions, making sure to number your responses to correspond to the questions asked. This proposal form must not exceed three pages.

1. Briefly describe the organization's history and mission.
2. Describe the need and/or problem that the proposed project/project will address.
3. Describe the project/program to be implemented, including how it will assist, women, children and/or families.
4. Describe the organization's qualifications or experience to implement the project/program.
5. Who are the planned participants for the project/program? Please describe the projected number of ages of those to be served and describe the geographic area for project/program implementation.
6. How will it be determined if this project/program is successful? Provide at least two quantifiable measures of the expected outcome (for example, percent of participants who complete training or percent increase in meals served, etc.).
7. Does the organization have the resources to continue this project/program beyond this grant? Please explain.
8. If the WGC of Morden grant will not fully-fund the project/program, is the remaining funding currently available to the organization? If not, please explain, including any planned or pending funding.

Yes _____ No _____
